

ROUND SCHOOL VOTED FOR BOUTWELL STREET

The Town of Wilmington, last night, voted for a second of the so-called 'Round' Schools, to be located off Boutwell St. and to be built for a sum of not over \$400,000.

Opposition by the School Committee failed to make any impression on the voters. Chairman Eddie Page had presented an amendment calling for a Wing type building, to be erected for not over \$425,000.

The amendment had only three votes in its favor, out of 182 present in the meeting.

The New School now authorized to be built, will be of 12 rooms, on the east side of Boutwell Street, on a lot of land that old timers would call the 'Currier Lot'.

It will be the second such in Wilmington, the Glen Road school being the prototype.

(cont. Pg. 4)

URBAN RENEWAL RULED 'ELIGIBLE'

James W. Franklin, Executive Director of the Wilmington Housing Authority announced Tuesday afternoon that the 'Eligibility and Relocation Report' of the WHA Urban Renewal Project had been approved by the New York Office of the US Housing and Home Finance Agency. This approval, he said, was a very important requirement in the Survey and Planning stage of the Urban Renewal Project in Wilmington.

Work is well under way towards completing the Final Project Plan for the Wilmington Urban Renewal project. The project planning is scheduled for completion in October of this year, and drafting of a warrant for a Town Meeting scheduled for November, 1959.

At the present time 40% of the Acquisition Appraisal Reports and 20% of the Land Disposition Reports are completed. Robert Gorham, Real Estate Officer of the New York office of Housing and Home Finance Agency visited the Wilmington project on June 26th. His trip was made for the purpose of a first-hand inspection of the real estate in the area.

PLANNING BOARD TO REMOVE RAFT FROM SILVER LAKE

The raft at Silver Lake, put in the water by the Planning Board for the pleasure of the people of Wilmington, is to be beached.

The Planning Board, Tuesday evening, voted to have the raft taken out of the water after repeated acts of vandalism.

The chains holding the raft in position have been repeatedly cut. The anchors have been moved. The raft has been damaged in other ways. All the work, apparently is done at night, by pranksters.

LAFFIN RESIGNS FROM BOARD OF APPEALS

Lloyd Laffin, 11 Veranda Avenue, submitted his resignation as a member of the Board of Appeals, Monday evening.

A resident of Wilmington for many years, Laffin served five years on the Board of Appeals, serving as secretary last year.

SUSIE'S SONNETS TO BE PUBLISHED BY THE ANDOVER TOWNSMAN

Susie's Sonnets, a feature of this paper for over a year, are now to be published simultaneously in the Andover (Mass) Townsman.

Arrangements for the publication were made by Ray DeRuisseau, Business Manager of The Townsman through correspondence with the author of Susie's Sonnets, Miss Sylvia Neilson of Plant City, Florida.

In announcing the arrangement Mr. DeRuisseau stated: 'For some time I have watched the doings in Susie's Sonnet and have been impressed with the sharp humor worked into a few lines. Andover is a nice town with a population of above average intelligence, and I feel that the pungent depth of Susie's pithy observations will be appreciated by our audience.'

Miss Neilson, a former resident of Wilmington, is a teacher of Latin in Plant City High School.

TM CALABRESE RESIGNS

CALABRESE SUBMITS RESIGNATION

Alfred Calabrese, Town Manager of Wilmington for the past year, submitted a letter of resignation to the Board of Selectmen, Monday evening.

The Town manager will leave on July 31 to assume duties as Chief Assessor of Westport, Connecticut. His last two weeks in office, from July 17 on, will be part of his annual vacation.

Calabrese, center of the controversial 'Termite' movement of last March, had been Town Manager and Acting Town Manager since March 1958, succeeding Joseph Courtney, now Co-

Director of the Audit of State Needs Commission.

Calabrese first came to Wilmington in August of 1954, appointed Principal Assessor by Courtney, after several years of service on the Assessor's Board of Medford.

A lawyer, and a Disabled Veteran, he was instrumental in having Wilmington's real estate valuations re-assessed. Since then he has become well known in Massachusetts for his assessing methods, and has spoken frequently to State and other meetings on methods of Assessment.

He will start work in Westport on August first.

Town of Wilmington 1959

In grateful acknowledgement of a long and dedicated career of public service, we, the duly elected officials of the Town of Wilmington, acting on behalf of the citizens of Wilmington, do hereby award a

Certificate of Merit

to

Herbert C. Barrows

Nowhere in the Commonwealth of Massachusetts exists such a record of conscientious devotion to municipal service. We, of the Town of Wilmington, have for 65 years, benefited by your wisdom, advice, guidance and experience. The vital and complex financial affairs of this growing community have been directed by your incomparable chairmanship for 30 years. With justifiable pride in our beloved, respected and honored "Senior Citizen" we herewith, with humble gratitude, present this award.

We affix our hand and seal this 15th day of June, 1959.

Donald C. Kidder

Herbert C. Barrows

Walter W. Brown

Charles D. Goss

Ernest J. Harty

'CERTIFICATE OF MERIT'

A 'Certificate of Merit' presented Wednesday afternoon to Herbert C. Barrows, Chairman Emeritus of the Wilmington Finance Committee by Donald C. Kidder, Chairman of the Board of Selectmen.

The Certificate was drawn by Paul Ciano, Art Teacher in Wilmington High School.

'LAND TAKING' BILL SAVED IN HOUSE

Through the efforts of Reprs. Frank Tanner of Reading, Newman of Cambridge and Randall of Framingham, a bill designed to afford relief to people who have had land taken from them was saved, Monday afternoon, in the Massachusetts General Court, House of Representatives.

House Bill 2701 (not filed by Tanner) had received a recommendation from the powerful Ways and Means Committee that it be rejected.

Reps. Tanner, Newman and Randall took the floor, Monday afternoon, to oppose the rejection, and their firm stand won the approval of the other members of the House. The bill still has a long way to go before it can be enacted into law, but it is still on the House Calendar.

The bill is designed to provide a temporary relief to property owners who have lost land, etc., by Eminent Domain proceedings (as in the construction of a new highway). The proposed law would direct the Department of Public Works to pay a reasonable settlement within six months of the taking, without jeopardizing the owner's right to seek further settlement, if the property owner feels that he is so entitled.

'This is much needed legis-

lation' Tanner told the Town Crier. 'The delay in paying people who have lost their homes through no fault of their own has been terrible. The Ways and Means Committee kept it bottled up, until today. I intend to do everything possible to see that this bill is enacted into law.'

ASHWORTH TRIBUTE POSTPONED

Inclement weather caused the postponement Saturday of the combination tribute to Jeanne Ashworth and Olympic Fund-raising event scheduled to be held at the Hersom home on Burlington Avenue. The Skating Club has announced that it has set a new date of July 11th for this event - rain or shine. There are still a few tickets available for anyone interested in paying tribute to Jeanne and contributing to the Olympic Fund while having themselves a barbecued steak and an all-around good time. An orchestra will provide music for dancing following the meal and the comments of local and state officials who have been invited to attend.

BOTTLE AND PAPER DRIVE THIS WEEKEND

Troop 60, Boy Scouts of America will conduct a Bottle and Paper Collection drive, Saturday and Sunday. People desiring collection may call OL 8-2468 and OL 8-2738.

WHY CALABRESE RESIGNED

Fred Calabrese had any of a dozen different reasons why he might have resigned as Town Manager of Wilmington.

He was, first of all, the subject of an acrimonious political battle last March. He took a lot of personal abuse in the process. It was enough to make any man want to seek other climes.

But this had nothing to do with his decision. He did not like the results in so far as his family was concerned, but personally he regarded the abuse as something that wouldn't bother him in particular. He can, and did, take abuse and come up smiling.

It wasn't the long hours that a Town Manager is expected to put into his job, in Wilmington. Some TM's don't bother to attend the various committee meetings, but in Wilmington it has always been axiomatic that the TM is in the Town Hall nearly every evening, attending meetings - listening, and occasionally taking a part in the debates.

Cushing, Courtney and Calabrese, - all of them, spent on the average three or four evenings in the Town Hall, on this type of work. It was expected of them, and they did it, with a smile.

It wasn't the pay, in itself. Calabrese was started at \$8,000 a year, and this spring, in line with the other employees of Wilmington he was given a 3% increase. Calabrese believed that a Town Manager's pay should not be equated with the pay of other employees. He did not like the 3% increase idea, but he said very little to show his feelings. To his way of thinking, the salary of a Town Manager, by law a prerogative of the Selectmen, should have been on an entirely different schedule than other employees of the Town.

The reason why Calabrese resigned is to be found in the Selectmen's meetings.

The vote of last March, regarded from an impersonal viewpoint, was a mandate from the electorate for a Town Manager form of government. The people of Wilmington, two to one, voted for efficiency in town government.

The Selectmen of Wilmington's views in this respect did not co-incide with those of Calabrese.

There were a number of differences in this respect, but the most outstanding was highway construction.

The best way to get the most for the dollar in highway construction is to do all the work in one area, before going to another. Transportation of equipment back and forth costs money. Town Managers, as a whole, are dedicated to this idea, and there is no argument that in a dollars and cents proposition it pays off.

Every few weeks, in the Selectmen's meetings there would be a delegation present from some part of town, to see if action could be speeded up in respect to their own particular streets.

The Selectmen, vote conscious, listened to these people avidly.

The TM, cost conscious, resigned himself to a long jaw-bone discussion, and listened, with an attitude of extreme disinterest.

The Selectmen would then instruct the TM to have a certain street done - knock off the work in one part of town, and proceed post haste to another.

Calabrese finally had enough.

SUSIE'S

SONNETS

By Sylvia Neilson

FISCAL PICKLE

Massachusetts, there she stands,

Financially, all wet.

Let's change the name of COMMONWEALTH

And call it COMMON DEBT

WHO WILL BE THE TEMPORARY T. M.?

To some people maybe this isn't a problem, but to some others it is.

When Calabrese leaves for Westport, Conn. there will have to be a Temporary Town Manager to take over the reins, until such a time as a new TM is chosen by the Selectmen.

Obviously, from one viewpoint, Stanley Webber could be named. Both Courtney and Cushing so used their principal Assessors, on occasion. But there is some hesitancy on the part of some of our Selectmen to name Webber. Whether or not they are right is a question that is, in the long run, up to themselves.

The Selectmen, or some of them, went to the trouble of telling the TM that they didn't want him to "train" someone to replace him.

Mr. Webber is well versed in town affairs. He has served on the Finance Committee, and the Board of Appeals, in addition to his Assessor duties. He is a man with managerial experience, in private business. He has many good points to his credit - but it seems obvious that telling Calabrese not to "train" someone the Selectmen were unwilling to have a Principal Assessor take over for an inter-regnum period.

If not Webber then who?

Cross Courtney off the list. He is too busy with his present duties.

To our way of thinking there are two other possibilities. We do not include Harry Deming, who was once a Temporary TM because Mr. Deming is without a doubt not interested, if the job were offered him.

The other two possibilities are Mrs. Drew and our Town Engineer, George Maynard.

Mrs. Drew is experienced and practical, but she probably wouldn't accept the job. She is, we must point out, the only Selectman who does not have a full time job. She does have the time.

George Maynard, our Town Engineer is another possibility. Mr. Maynard hasn't been in town very long, and while he is, perhaps, long on Engineering, he might very well be short on other phases. We don't know if he would care to accept the job.

So there you have the possibilities. Possibly there are "candidates" whom we have overlooked.

But there will have to be a Temporary TM, that we know.

"FERKY"

We pause for a moment to take off our hat to a man with imagination - Foster Furcolo - Governor of Massachusetts.

A small weekly paper is unable to keep a day to day tab on the rapidly changing situations in the State House. But a small weekly can take a longer range viewpoint.

Foster Furcolo, opposed by some Republicans and by a large part of his own party Democrats is a man who is not only willing to investigate but is, (his opposition to the contrary) a man who is adept at providing solid planning for the future of Commonwealth.

His \$50 million bond issue for unemployment we will dismiss as "strictly politics". Many of the other proposals, on the other hand, his Mental Health, his Educational, his Fiscal plans have a good basis, and have much to commend them.

For our money Foster Furcolo is a Governor of Massachusetts who is among the foremost, in ability, in our long list of Executive Officers

(Cont Pg 4)

TOWN NOTES

Since 1931

The month of June, 1959 was the wettest and coldest we had had in Wilmington since 1931. There were only eight days during the month when rain did not fall in some degree. About one third of the month saw many homes operating their heaters. The total rainfall for the month was a whopping 6.10 inches.

And yet we say many people sprinkling their lawns religiously.

Smart Man

Perhaps the smartest (or most fortunate) man in Wilmington was Howard Cates, of Sheridan Road.

Howard had to leave New England in the summer time, which certainly would be accounted a tragedy under anything near normal circumstances, even if, as in this case it was a two week trip to Hawaii.

To lose June in Wilmington is terrible.

But this June wasn't worth remembering, and Howard, out in Hawaii, testing the safety of some hotels, lost nothing. In fact, we think everyone in Wilmington envies Howard for the way he spent the past month.

The Flag Pole

There is a story behind the flagpole at the Old Age Housing Project.

It was donated by the Contractor, the Roberto Construction Company.

It was painted by Arthur Starr, who is hitting somewhere around 70, and has made himself into the Handy Man of the Project.

It was erected by four members of the Wilmington Housing Authority, who grunted and groaned over their problem on Saturday morning.

And, after the WHA members got it up something was noticed to be wrong with the guy lines - so Arthur Starr shinned up, and straightened out matters - only to be met, on the way down, by the stare of his wife Mary, who doesn't approve of a man of his age climbing flagpoles.

Finally, with the aid of the Veterans, the Stars and Stripes were raised, and that in itself is a story - for it was the flag that covered the coffin of Arthur Starr Jr. when his body came back from Korea. Arthur and Mary donated it for the dedication.

Westport, Conn.

Westport Connecticut has taken away our TM., shall we say on the second try (?)

Joe Courtney, while he was TM of Wilmington had an offer from a group of people living in Westport, and working in New York, to set up a private research bureau, at a substantial salary. He refused it after long thought.

Westport is a town, with its own particular form of Town Manager government, in that the No. 1 Selectman is Town Manager. It is reported that he gets \$12,000 a year.

It is in all respects a suburb of New York City, with an Artist's Colony and a considerable literary circle. Quit the place to live, according to many New Yorkers.

Calabrese, as Principal Assessor will be getting \$9000 a year, we understand, with a promise of a substantial annual increment for three years.

The town has recently had a re-valuation, such as we had two years ago, and has a regular schedule, every few years, for more of the same.

Calabrese won't be having to work every night, as he has been in Wilmington - so who can blame him for making the change.

Boutwell Street

Boutwell Street, the site of the proposed school, is one of the older streets in town. It was named after the Boutwell family, which most certainly was living here in the early part of the 18th century, and which some of the older people of Wilmington would have you believe was the first family

(cont Pg 3)

Town Notes
(fr Pg 2)

to settle in what is now Wilmington.

The Routwell House stood on land now owned by Ray Fitzmaurice, and a part of the original building still stands, looking like a broken down garage.

The building itself was long and close to the ground, with low ceilings. It was inhabited as late as in the 1920's, and as we say, some people tried to say it was the oldest in town, a theory that was never proven to us.

Governor Boutwell, a pre-Civil War governor of Massachusetts was a descendant of this family, but was born in Western Massachusetts.

The little brook that runs along the boundary of the proposed school was once known as 'Bear Brook', for one of the Boutwell family saw the last bear in Wilmington (if the stories of last winter are discounted) cross the stone-wall and disappear into a thicket near the brook. The hill nearer to Burlington Ave. was also known as Bear Hill, until recent times - it is now the scene of a real estate development by Roy Hersom.

Swimming

Silver Lake, of course, is the mecca of these youngsters now that the hot weather has finally arrived.

Sanitarian pat Thibeuau has been regular in his testing of the water, for germ counts. He reports that all the lake is in excellent condition for swimming purposes, but that the best place is McQuaide's (Baby) Beach.

Kick Em On The Bus

Anent the discussion for a new school one of our readers on the West Side reports that the people on his street have no desire for a school in that area.

The Mothers, he reports, would rather kick their kids onto the school bus in the morning, and then be rid of them all day.

Fly Fisherman

Albert Penney, just graduated from Wilmington High School, is turning out to be one of the best fly fishermen in Wilmington. Albert knows the haunts of the wily trout, and how to land the fly at the right place at the right time.

We watched him pull a nice 13 inch rainbow from Lubber's Brook the other day - from a place where we would have said no fish could exist.

Telephone Booth

Jokes are jokes, and one now passing around Wilmington could turn out into one of the collegiate contests.

The joke is that Fred Calabrese's Good By Party - (there always seems to be one) is to be held in a telephone booth.

Well, if college boys can why can't the politicians and their friends?

HONORED FOR SERVICE TO SANBORN COMPANY

Patrick L. Bonnell, 62 Burlington Avenue was honored by the Sanborn Company of Waltham at a luncheon recently held in the Pillar House, Newton Lower Falls.

Bonnell, Supervisor of the Special Assembly Department of the Sanborn Company was presented a gold service pin by James L. Jenks Jr., president of the company.

A World War II veteran, a graduate of the evening divisions of Northeastern University and the Franklin Technical School, Bonnell is a member of the Boston Management Club.

LIBRARY NOTES

The Library has just received two memorial gifts. 'The Story of Painting for Young People' by H.W. Janson and Dora Janson given in memory of Deborah Sullivan by Paula and Ernest P. Rice, Jr., and 'America's Riding Horses' by Harry P. Orcutt and Ben Davis Orcutt, given in memory of Donald Wood by Anne MacDougall.

Following is a partial list

of new books in the Library: Adams of the Bounty, by Erle Wilson; Celia Garth, by Bristol; Grandma Wears Blue Jeans, by Pardee; Douglas of the Supreme Court, by Countryman; The Light Infantry Ball, by Basso;

Arctic Wild, by Crisler; The Years with Ross, by Thurber; The Joseph C. Lincoln Reader; In France it was Spring, by Treat; The Dark Fantastic, by Materson; Day before Yesterday, by Roosevelt; The Quality

of Mercy, by Downes; Last Days of the Bismarck, by Forester; Nine Coaches Waiting, by Stewart; Contemporary Canada, by Chapin; The Crown and the Cross by Slaughter; The Life of Alexander Fleming, by Maurois; The

House of Intellect, by Barzun; Our Language and Our World, by Hayakawa; Brave Men and Great Captains, by Dupuy; Tell Me Stranger, by Flood; Memoirs of a Dutiful Daughter, by de Beauvoir.

SIDNEY F. HOOPER & ASSOCIATES

Inadvertently perhaps, the name of the Architect of the Housing for the Aged was completely overlooked, in the ceremonies of last Saturday.

Our Old Age Housing Project, quite rightfully, was the object of considerable praise. Our Wilmington Housing Authority, the contractor - The Roberto Construction Company, and others were praised for a job well done. But the name of Sidney F. Hooper and Associates was not mentioned.

The architects of our Old Housing Project did a very fine job, in our belief. An old swampy hayfield has been converted into something that will always be an asset to the community.

And, unlike many of the "public works" type of project, the firm of Hooper & Associates were not paid on a percentage basis, where the impulse to the architect is to make it more expensive, and thus collect more money.

Mr. Hooper, we understand, has spent quite a bit of time on this type of project. He conceived of the idea of four units to the dwelling. He planned, in this case, all the drainage and all of the engineering. He supervised the work, in its entirety.

And all for a fixed fee.

We offer the firm of Sidney F. Hooper & Associates our congratulations for a job well done.

TOWN MEETING

(cont. fr. Pg)

Memorials

The Town Meeting opened at 8:30 pm.

Donald Kidder, Chairman of the Board of Selectmen, read a Resolution, prepared at Kidder's request, by the Rev. Richard A. Harding, in memory of the late Dr. Dudley A. Buck. It was unanimously voted, and is reproduced elsewhere in this issue.

Kidder also read the Certificate of Merit given to Herbert C. Barrows yesterday afternoon by the Board of Selectmen.

On motion of Harold W. McKelvey one minutes silence was observed in respect to the late Thomas C. Daly, of Andover Street, a member of the Finance Committee for eight years.

Three Arguments

Only three of the 11 articles voted produced any amount of discussion. In addition to the opposition of the School Committee to a 'Round' school at Routwell Street there was some opposition by builders to an amendment to the Building Code in which the word 'habitable' was added to a definition of

MEMORIAL RESOLUTION IN HONOR OF DR. DUDLEY A. BUCK, VOTED IN TOWN MEETING LAST NIGHT

BE IT RESOLVED, THAT THE CITIZENS OF WILMINGTON ENTER IN THE OFFICIAL TOWN RECORD ACKNOWLEDGEMENT OF THE DEVOTED SERVICES OF THE LATE DR. DUDLEY A. BUCK, WHOSE SUDDEN DEATH ON MAY 21, 1959, BROUGHT GRIEF TO OUR COMMUNITY.

DR. DUDLEY A. BUCK, AGE 32, RENOWNED RESEARCH SCIENTIST AND TEACHER AT MASSACHUSETTS INSTITUTE OF TECHNOLOGY, BELOVED LEADER OF YOUTH, DEVOTED SERVANT OF THE COMMUNITY OF WILMINGTON AS A MEMBER OF THE SCHOOL COMMITTEE SERVING AS ITS CHAIRMAN IN 1958, AND A MAN OF VITAL FAITH IN GOD AND MAN, WITNESSED IN HIS SERVICE TO HIS CHURCH AS LAY SPEAKER AND CHURCH SCHOOL.

THE QUALITY OF CHARACTER OF DUDLEY A BUCK IS REMEMBERED BEST AS IT IS EXEMPLIFIED IN HIS FAMILY, THROUGH HIS WIFE JACQUELINE, HIS CHILDREN CAROLYN, DOUGLAS AND DAVID, AND IN HIS LOVE OF PERSONS IN ALL STATIONS OF LIFE WITHOUT REGARD FOR COLOR OR CREED.

THE SPIRIT OF THE MAN IS EXPRESSED BY THE POET WILLIAM BLAKE, WHEN HE WROTE:

'TO SEE A WORLD IN A GRAIN OF SAND
AND A HEAVEN IN A WILD FLOWER
HOLD INFINITY IN THE PALM OF YOUR HAND
AND ETERNITY IN AN HOUR'

homes, and there was a discussion on the proposal to rezone a piece of land in South Wilmington.

In every case the voters went along with the recommendation of the Finance Committee and the Planning Board.

Article 5, introduced by Lloyd Laffin, and amended by him to change a piece of property in South Wilmington to a Neighborhood Business zone lost. 35 people voted with Laffin and 91 with the Planning Board.

Article 6 found questions by Wilson Belbin and other builders, who felt that the proposal was unfair. The voters approved the change in the Building By-Law 71 to 59, the purpose of which is to exclude 'heater' rooms from being counted as 'habitable' area.

Other Articles Voted

The town voted unanimously to sell what ever right it might possess to a strip of land 250 feet wide and about two miles long, across South Wilmington, to the Boston Edison Company.

Discussion by TM Calabrese showed that the town had some dubious ownership of land, taken for taxes many years ago,

in the area, but that it would cost much more than the town would realize to prove the town's ownership.

The town is selling its right for \$2500.

The second article, calling in effect for ratification of the legislature's recent 'Gravel Law' for Wilmington was voted unanimously, with no discussion.

Likewise, with very little discussion, the town voted to ratify the actions of the Selectmen, Town Counsel and Town Manager, in opposing the action of the Department of Public Utilities which granted the Boston & Maine Railroad the right to run 32 trains a day, plus unspecified freight trains over the 'Wildcat' railroad. The vote was unanimous.

Land opposite the De Moulas property was rezoned into General Business. Calabrese assured the town that the machine shop near Shawsheen Avenue would not be affected by the vote.

An amendment to the Building By-Laws, in Article 7, was voted, which upgraded the requirements of pouring of concrete slabs. Exempted, by a

ment were cellar floors in single family dwellings.

The town voted to liberalize the Building By-Laws with regard to signs in industrial and General Business areas, in Article 9.

The town also voted to transfer a sum of over \$50,000 remaining from the erection of a standpipe off Hillside Way to the installation of more wells and an electric pump at the Barrows Pumping Station.

One million gallons of water a day will be pumped by the new installation, Waldo Stevens, Water Commissioner, told the town.

BIRTHS

BACKMAN, Carl A. III, June 19, at So. Shore Hospital, Weymouth to Mr and Mrs Carl A Backman, Jr., of Braintree. First child.

Grandparents are Mr and Mrs. Clifton K Hassler of Braintree and Mr. and Mrs Carl A Backman of Chestnut Street.

CADY, Robert Barry, born June 22 at St. John's Hospital in Lowell to Mr and Mrs Robert Cady of 4 Dorothy Ave. Third child, first boy.

Grandparents are Mrs Mary Kilbride of Cambridge and Mr and Mrs Patrick Cady of Dorchester

DOANE, Patricia Marie, first child to Mr and Mrs John Doane 3 Colby Road, Beverly, in the Beverly Hospital, June 26th.

Mrs Doane is the former Geraldine Porter, daughter of Postmaster and Mrs. Henry Porter.

ESPINOLA, David Martin, to Mr and Mrs Robert Espinola of Ellerica. First child, in Winchester Hospital, June 27th.

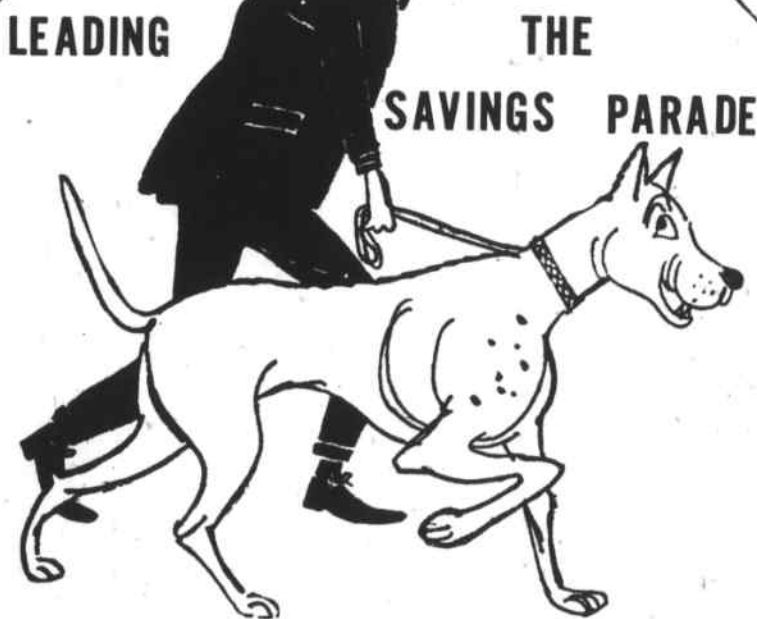

Mrs Espinola is the former Beverly Peeler, of High Street

NORRIS, David Evans, Jr., born June 12 at Winchester Hospital to Mr and Mrs David E Norris, Dorothy Avenue. Second child, first boy.

Grandparents are Mr and Mrs. Harry E Johnson and Mrs Alfred Norris of Brockton.

SMITH, Lynn Marie, sixth child, fourth daughter, to Mr. and Mrs. George W. Smith, Lawrence Street, in St. Joseph's Hospital, Lowell, June 24th.

JUST ONE BASS

Alfred Blackburn of Concord Street (background) went up to Foster's Pond Monday evening to catch bass. He didn't.

His wife Valentina (foreground) brought home a bass though, for the family supper. It was given to her by another fisherman while she was standing around watching her husband.

POLYCHEMICALS PULL UPSET OF YEAR

The National Polychemicals Softball team, underdogs for the past five years in the Wilmington Recreation League pulled a rabbit out of the hat last week, by defeating the High and Mighty Townies, Defending Champions of the past two years.

The result wasn't a defeat. It was a debacle.

When the Townies got through eating the dust they found that Reg Pelletier's drilling of the Polys was nothing to be sneezed at - not even with baseball diamond dust.

The Townies, overconfident and cocky, took the field on that Wednesday evening. It was, it turned out, a case of nine Casey's at the Bat.

Pelletier's gang scored nine runs in the first inning.

'That's nothing', the Townies said. 'We ain't got to bat yet.'

The Townies then scored one run.

The second frame looked bad. Cagey old Sam Ethier looked around, and spotted his brother Dick (Sr.) a pitcher of the Old School.

Dick went in and held his finger in the dike for three or four innings. Pelletier's boy's were confused by the slowest ball in the league - a real blooming one. It always seemed to drop down to zero elevation, just as it crossed the plate, and just as the Poly batter had decided it was at least a three bagger.

In the sixth inning the Pelletier boys caught on. They began to connect with the bloop ball - enough so they crossed the plate a couple of times.

Then Dick fooled them again. He pitched a normal ball, and Pelletier's gang found themselves trying to scoop the sand off the plate, when the ball passed about chest high.

But Dick's Pitching wasn't enough. The final score was 11 to 7, and the Townies are crying in their beer.

Another Upset by the Legion Boys

Even though it's the Grandfathers who come out to the parade, when the American Legion is strutting its stuff on Memorial Day there are a couple of young fellows wearing a Legion uniform - softball uniform that is.

Such worthies as Ralph LePore and Al McMullin, Jackie Pelletier and Buddy Frotten, to mention a few, may be seen pushing the soft-leather around in the evenings.

Their scores, however, have never seemed impressive, to this observer. Perhaps they had an idea they were bowling.

Anyway, the Legion Boys came out of their slump on June 23rd, to squeak out a win over the Merri-Macs, 14 to 13.

Past Commander Arthur B. Harper almost lost all the buttons off his coat, when he heard the Legion had won. The damage, let it be noted, was generously repaired by Paul McCabe, he who foots the bills

for the Merri-Macs.

Paul's boys are really in a bad way, though. They have lost four of their best players - Okie O'Connell, Fred Bellissimo, Joe Gilligan and Boo Boo Shepard. Okie is still on the sick list as a result of his accident, Fred and Joe are working nights, and Boo-Boo is too busy being a cop.

Still a Tie

The surprising action of the two teams, in winning their games leaves the cellar race still tied.

The Polys and the Legion have each won two games!

Thunderbirds Ahead

The Top Rooster, of the league is still Ford's Thunderbirds. They beat the second place Stingers, Thursday evening, 11 to 5, in what was really a contested game, in spite of the score.

Eddie Brittenham avers that when the season is over the Stingers will be so far down the list that no one will have ever heard of them. The Thunderbird Manager has a secret weapon, apparently, concocted in the carberator of a Model T. The only trouble is that none of the Stingers have ever ridden in that kind of a car, and they don't know quite what Eddie is talking about!

Potpourri

Rain continues to mar the play in the Softball league. Monday night's game between the Methodists and Weinberg's was rained out, the third game in two weeks that will have to be played at a later date.

Good News is the order of the day for Cagey Sam Ethier. His Star Pitcher, Fran Hoban, has just been released from the Army.

Fran, two years ago, pitched 11 straight winning games, and Sam never forgot it. No sooner had Fran got into the kitchen of his mother's house - reaching for the pie, when Sam knocked at the front door, softball in hand!

Sam had been counting the days!

Standings

Indestructibles

One of the toughest objects on earth, to our way of thinking, are covers for sewer systems.

Which fact has the boys in the Housing Authority wondering.

Several of the covers for the sewer system at the Veteran's project have recently been broken.

How? Who? What? Happened?

FIRST BAPTIST CHURCH SUMMER SCHEDULE

The First Baptist Church of Wilmington wishes to advise the community that it will conduct its services according to its summer schedule beginning this Sunday, July 5. The summer schedule is in effect during the Sundays of July and August.

The Church School, with classes ranging from the pre-

School Class through the Adult Class, will meet from 9 to 9:45 a.m. The Morning Worship will be from 10 to 11 a.m. with a nursery for infants during the hour. The Evening Service will begin at 7:30 p.m. as usual, and the Mid-week 'Hour of Power' service will be held at the usual time, Thursdays at 7:30 p.m.

This Sunday Morning, at the 10 o'clock Morning Worship, Pastor Eliot Castillo will conduct an observance of the Lord's Supper and the Youth Choir under the direction of Miss Lois Bennett will render an anthem. At the 7:30 p.m. Evening Service, at which the Pastor will preside, the Rev. E Parker West, pastor of the First Methodist Church of Caldwell, Ohio, will be the guest preacher. Formerly the pastor of the South Tewksbury Methodist Church, Mr West is the son of Mr and Mrs Hiram West of Woburn.

The Baptist Church School will be in full operation during the months of July and August, the sessions beginning at 9 a.m. promptly. The Christian Education Committee wishes to announce the Annual All-Church Picnic to be held on Saturday, July 18, at the Beaver Brook Country Day School on Route 2, Lexington, Mass. The Committee promises a grand day and hopes that everyone will be setting aside that date now.

FOREST ST. CONGREGATIONAL NEWS

Sunday, July 5th morning services at 10 a.m.

Rev. Kenneth Alcorn, Pastor.

Sunday School will be closed for the summer.

INJURED IN FALL

Mrs. Henry Munro Jr. of King Street was the victim of a freak accident, in her home Tuesday noon. Children had removed a grate to the hot air heater, according to a report, unknown to Mrs. Munroe, and she stepped into the resulting hole.

Eight stitches were taken, in dressing her injuries, in the St. John's Hospital, in Lowell

MRS EDITH SYMMES ILL

Mrs. Edith Symmes, 704 Woburn Street is a patient in the Choate Memorial Hospital, in Woburn.

INDUSTRIAL SIGNS

Two 'Locate in Wilmington' industrial signs have been erected by the town, in the past week, one on Lowell St. at the exit to the new Route 93, and one on Main Street. The cost to the town was \$370

MORTGAGE MONEY AVAILABLE

According to the latest issue of the Banker and Tradesman, 'Mortgage money in this area is reasonably plentiful now and should remain so for a while, but there are signs that a tightening is not too far off.'

The editorial concluded with the observation that 'Every possibility for creating an ample supply of home mortgage money must be explored. The first signs of tightening are already appearing and should not be ignored.'

COMPETITION IS THE LIFE OF THE GAME

Competition is the secret of success. So the girls of the St. Dorothy's Soft Ball team discovered, in Lowell, last Thursday.

The girls were playing the girls of St. Michaels. It should have been an easy game, according to the books, for in the previous game the St. Dorothy team on their home grounds, had administered a 35 to 12 defeat.

So this time the St. Dorothy girls started their second team.

The second team are good players - good enough to bring a smile of pleasure to the face of Father Tyrell. And, they showed it in the St. Michael's game, for at the end of the fifth inning they were ahead 11 to 5.

Then the first team went in to wind up the game.

And the St. Michael's girls stiffened, with the competition. They not only stiffened, but they rallied in real fashion.

In the seventh inning the St. Michael's girls crossed that plate six times, tying the score!

The situation was critical for Dear Old St. Dorothy's - more critical because St. Michaels had the bases loaded, and only one out!

One more run, across the plate, and not only would it

have been a defeat, but it would be the first of the year for St. Dorothy's!

Ruth Sullivan, pitching, bent to the task in noble fashion. She ran the tension to a high point, as the count got to three and two, with the big one due.

But she struck out the batter and then the last one was easy. St. Dorothy's had been saved. Their escutcheon is still spotless, and joy reigns around Silver Lake.

St. Peter's Defeated

Saturday afternoon, at the Wilmington Memorial Park the St. Dorothy's girls kept up the old standard, by defeating St. Peter's of Lowell, 11 to 4, in the first game of the season between the two teams.

Only one extra base hit was hit in the whole game, and that by Miss Buckley, of St. Peter's, in the last inning. The score, at the end of the third inning was tied, four to four.

St. Dorothy's then came up with their big inning - they usually have one big inning every game. On four hits, five walks and an error they scored seven runs. Ruth Sullivan got two hits in this inning, and Carol Crispo and Sheila Maloney each got one. Donna Burnham got two walks.

Thirteen of the Wilmington girls were at the bat, in that inning, and at one time they had the bases loaded. Plenty!

excitement!

After that it was just coasting down hill.

St. Margaret's Defeated

St. Margaret's, a new team in the CYO Deanery League, met the usual luck, in facing Wilmington on the last day of June, in Lowell. St. Margaret's is a part of the Daly School, of Lowell.

St. Dorothy scored 17 runs in the first three innings, to their two.

Carol Crispo got a triple in the first, for the only triple in the game.

Claire Doherty got a double and a single in the first two innings, to help the cause along.

Seven more runs in the fourth inning put the game far beyond St. Margaret's hopes. Home runs were scored by Ann Sullivan and Sheila Maloney, for the big back breakers of the game.

The final score was 24 to 5.

Looking Ahead

Last year the St. Dorothy's team found themselves tied with St. Anthony's of Shirley for the Lowell Deanery Championship, and only settled the score in the last game of the year.

The Shirley girls won that match, to win the Deanery Crown (but they lost their first game in the Diocesan playoffs).

This year it looks as though St. Dorothy's will repeat the tie of a year ago, and settle the score in the last game.

Both teams are practically neck and neck. St. Williams has had only one loss (to Wilmington) and the St. Dorothy team has had one tie, which puts them only one point ahead.

The big game will probably be played on July 11th or 12th. The girls are hoping for a little Town Support, to boost them on to the Deanery Title, in their second year of playing.

HORSE SHOW AND GYMKHANA

There will be a Horse Show and Gymkhana Sunday, July 12, 1959 at 12 noon at the Clark Farm, Andover Road, North Wilmington, Mass. This show is sponsored by the Merrimack Riding and Driving Club.

Champion ribbon and trophy will be awarded to the rider scoring the most points for all classes. All entries \$1.00

Tex Behrube will be there to exhibit his trick roping and trick riding ability with his golden Palomino and this show will be held rain or shine.

ON THE WAUGHPATH Yankees Win Twice

Two good pitching jobs gave the Avco Yankees two more wins and a commanding lead in their race for the pennant in Little League action ending Tuesday night. Randy Walden hurled the 8-0 shutout over the Cain Red Sox last Thursday with a tip of the cap to Centerfielder Billy Pierce who saved Randy some trouble with a beautiful going-away catch of Johnny Revillacqua's smash to deep left center late in the game. Billy did a somersault after he made the catch, but managed to hang onto the ball for the putout.

Last Inning Jitters

The second win, played Monday night vs an inspired Unit Packet Tigers combine, was a much tougher victory to nail down. The final score was 3-2 with the winning run scoring in the last of the sixth inning on an overthrow of third base. Duke Garland pitched well enough to have held the Tigers scoreless but some erratic fielding kept him in hot water throughout the game. Billy Ritchie, who stopped the Chisholm Indians the previous Wednesday night by a 3-1 count, pitched equally well in defeat.

The Indians came back on Tuesday night to top the Red Sox and keep alive their chances

to overtake the Yankees for the league title. There is plenty of exciting baseball ahead in the race for the Little League championship as the crowds who have been attending the games will attest.

Standings in the Wilmington Little League at the close of action on Tuesday night were:

Team	W	L	Pct
Yankees	11	3	.786
Indians	7	5	.583
Red Sox	5	7	.417
	3	11	.214

Wildcats Red Hot!

The hottest thing in town right now is the Wilmington Pony League team, otherwise known as the Wildcats. Four straight victories, the last three by one run margins, have the club in second place in the Reading Pony League - just percentage points away from the top. The most refreshing feature of this surge has been the rebirth (locally at least) of the effective use of a bunt. In four straight games, John Cavanaugh has been the batting hero of the team with four beautifully-executed bunts, two of them as sacrifices and two for base hits. Do you wonder why Manager Bob Hastings has been pulling out his hair trying to think of ways to keep John from moving to California with his family on July 7?

Getting Pitching Too

In addition to their excellent bunting, the Wildcats have been getting steady pitching from Ricky Proten, Ronnie Outridge, and converted-shortstop Jimmy Melzar. Jimmy faced only nine batters in the first three innings in his first pitching start against the Stoneham Falcons, but was relieved by Ricky Proten in

the 4th when he tired and the Falcons started to catch up with him. Jimmy scored the winning run in the last inning, however, coming in from third as John Cavanaugh bunt-singled with two out and two strikes on him. Eddie Casey's double with the bases loaded in the second inning was also a big blow in the Falcon game.

-Outridge In 3-Hitter-

On Saturday, the Stoneham Eagles were visitors at the Wilmington High School field and Wilmington once again was victorious - this time by a 4-3 score. Ronnie Outridge

went the route for his second win and limited the Eagles to three measly singles which were bunched for all of the Stoneham scoring in the sixth inning.

FLORIDA BOUND

Arthur Hoffman, 470 Main Street, (left) has purchased land at Harbor Heights, on the Peace River, on Florida's West Coast. A Navy Yard Fire Control Technician, he bought the land from Frank Krasinski, of the Town Realty Co., of Wilmington, exclusive agents for the new development.

LIBRARY NOTES

The summer reading program for grades 1, 2 and 3, as suggested by Mrs. Wiberg in the list given to the children at the closing of school last week, got off to a good start. Whether this is due to the continuous rain or the urge to play school which strikes

small children the moment the school door closes, the supply of these books has been greatly reduced temporarily. However, there are enough for all and they should be available before summer is over.

Another rainy week diversion, which can be fun for all the

family, may be found in the new language records for children—French, Spanish and German recently acquired. These, and other records, may be borrowed by adults only.

Take advantage of the Vacation Loan—a good way to catch up on your reading without making frequent trips to the Library. Books which have been in the Library a year or longer, and are not in constant demand may be kept until September. They will be stamped as due September 10. Come and get an armful.

Perfect Attendance

Joseph Infantino.

DEDICATION OF
THE OLD AGE HOUSING

Wilmington's Housing for the Aged Project was dedicated Saturday afternoon with simple yet impressive ceremonies.

Surprisingly enough, it was the Benediction which most people will long remember. Mr. S. Albert Kaufman, former President of the North Wilmington Synagogue gave the Benediction in an age-old Hebrew chant, musical, yet strange to some of the ears.

It impressed everyone tremendously. Mr. Kaufman, we are told, is a master of diction in the old Hebrew. His delivery, Saturday, to other wise untrained ears, confirmed this.

MR KAUFMAN'S BENEDICTION

Wearing the Hebrew Prayer Cap, S. Albert Kaufman sings the Benediction, as listeners bow their heads. On the platform, in the front row (l to r) are Robert Michelson, Consultant; Authority Member Frank H. McLean; State Chairman Louis F. Musco; Bill Meagher, representing Gov. Furcolo and former State Chairman William Maloney; WHA Chairman Ernest B. Rice; Mr. Kaufman State Senator Bill Madden, Rep. Tom Donohue, Mr. Eliot Castillo of the Baptist Church, and County Commissioner Tom Brennan.

Two of the oldsters present also were very quietly impressive — Mrs. Arthur Starr, who spoke in an unofficial way for the people in the project, and past Town Accountant Harry Deming, for whom the street has been named.

Harry Deming pretended that the street was being named for his family, a pretense which graciously accepted by those present

STARR AND DEMING

Mrs Arthur Starr, Gold Star Mother, addressing her friends. The erect head, with silver locks, behind Mrs. Starr is that of Harry Deming.

Louis F. Musco, Chairman of the State Housing Board was eloquent in his praise of the project and the authority. He told his listeners that the Community House was the best of its kind in Massachusetts.

FRANKLIN AMONG FRIENDS

Not entirely unanticipated was the presentation of the "Golden Age Club Certificates" to the residents of the project. Director Jim Franklin walked through the audience to give the certificates, which were proudly received. All the churches and all the Veterans Organizations were represented. The Color Guard was composed of members of the DAV, the VFW, and the American Legion.

LISTENERS

A7

Father Joseph Leahy, of St. Dorothy's presented the opening prayer.

FATHER LEAHY LEADS THE PRAYER

A8

Afterwards there was a reception at which refreshments were served, in the Community Hall. Every one enjoyed it, even the oldest person present, Mrs. Lena Harrison, 84 years young. Mrs. Harrison didn't think her picture should be taken, but it was, just the same, as she walked away from the camera, very spryly, with her daughter.

ANNUAL CHECK UP ON INCOME OF VETERANS PROJECT TENANTS

The Wilmington Housing Authority has voted to send letters to all tenants of the Veteran's Housing Project, on Wildwood Street, asking for a complete report on income for the families, between Jan. 1 and July 1 of this year.

The project is supposed to be for veterans and their families in low income group.

PLANNING BOARD ACCEPTS DALY MEMORIAL OFFER

The Wilmington Planning Board voted unanimously to accept the offer of friends and neighbors of the late Thomas C. Daly, to have some planting on Wilmington Common paid for, in his name.

A Master Plan, for planting on the Common is being prepared, and is expected to be ready in October.

At that time the Daly friends can choose what trees or other plants they wish to provide, and a permanent record will be made, in memory of Mr. Daly.

LEGAL NOTICE

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Probate Court

To all persons interested in the estate of Norman V. Bellemo late of Wilmington in said County, deceased.

A petition has been presented to said Court for probate of a certain instrument purporting to be the last will of said deceased by Joseph G. Bryer of Melrose in the County of Middlesex praying that he be appointed executor thereof without giving a surety of his bond.

If you desire to object there to you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the sixth day of July 1959, the return day of this citation.

Witness, JOHN C. LEGGAT, Esquire, First Judge of said Court, this twenty-sixth day of May, 1959.

John V. Harvey, Register J18, 25, J2

LEGAL NOTICE

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Probate Court

To Wendell E. Phillips of Carmichael in the State of California.

A libel has been presented to said Court by your wife Anne M. Phillips praying that a divorce from the bond of matrimony between herself and you be decreed for the cause of desertion and cruel and abusive treatment and praying for alimony - and for custody of and allowance for minor children.

If you desire to object there to, you or your attorney should file a written appearance in said Court at Cambridge within twenty-one days from the twentieth day of August 1959, the return day of this citation.

Witness, JOHN C. LEGGAT, Esquire, First Judge of said Court, this twenty-fourth day of June 1959.

John V. Harvey, Register. J1, 8, 15.

(SCHOOL NEEDS CHART PRESENTED AT TOWN MEETING LAST NIGHT.)

CIVIL DEFENSE RADIO 24 HOUR TEST
Wilmington's Civil Defense Radio Gang had a 24 hour test under emergency conditions Sunday, at Camp Forty Acres. Last year in such a test they ranked second in their group classification (nation wide). This year there were not so many experienced operators. The furthest heard was from Puerto Rico.
Chief Operator was Mel Cassidy, shown examining the Emergency Generator which ran with no trouble. His son, not yet an operator, is shown wearing a sailor cap.
The upper two pictures were taken at night and the lower two next day.

GLASSES HANGING FROM EAR
Minot Anderson, Building Inspector, his glasses hanging from his ear, presents an argument during the Town Meeting last night.
Below is Ray Fitzmaurice, of Boutwell Street, newest member of the Planning Board.

LETTER

Capt. Larz Neilson
Town Crier.

Dear Larz:
May I express through the columns of your paper our thanks to the members of the Wilmington Fire Department for their fine co-operative spirit in assisting us with the Wilmington Common. During the dry month of May the boys came up nearly every evening and watered the ground so that the newly planted grass seed had a chance to sprout and grow.
Thanks to our Firemen we had green grass on the Common on Memorial Day, and now have a fine luxuriant growth of which everyone can be proud.

A. Daniel Gillis, Chmn.
